TRANSFORMING WISDOM INTO IMPACT

WHERE BUSINESS MEETS WISDOM

EXPLORING NEW TERRITORIES

Cultivating Leadership Mastery and Organizational Excellence is our passion for more than 20 years. We help you transform your challenges into opportunities and precious potential into sustainable & positive impact.

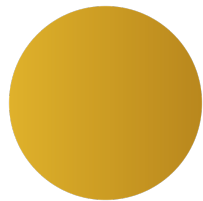

TRANSFORMING WISDOM INTO IMPACT

WHAT WE DO FOR YOU

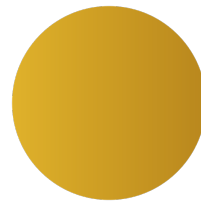

The essence of our consulting work is to help Leaders, Leadership Teams and Organizations to face and address the challenges of a complex, volatile and unpredictable business environment.

WHAT IS CONSCIOUS CONSULTING?

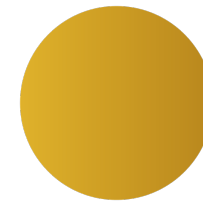

Consulting is a delicate craft based on mastery, personal commitment and a deep respect for the uniqueness of every person, organization and situation. Complex problems ask for a broader and deeper wisdom within a diversity of disciplines.

WHAT OUR CLIENTS SAY

"For leaders it is not easy to see that Personal Mastery creates the conditions for Business Excellence - our assumptions have been so fundamentally challenged that something new could emerge."

Michael Fleischhacker
Editor in Chief Die Presse

"As a result of this transformational process we managed to grow in a very competitive market environment and outperform our competitors."

Martin Schiechl
CMO Swarovski Gemstones

"An earthquake breaking the walls of my fortress and killing my soldiers, leaving me defenseless, in front of an empty and wide green field, showing me that this is actually freedom."
